**Michael empowers and entertains audiences, creating new attitudes toward work and life that lead to higher levels of engagement and personal satisfaction.**

**This unforgettable message of perseverance and hope, grit and growth, inspires a new generation of leaders. Overcoming adversity through generous leadership is vital to personal and organizational success.**

***He didn't just give a talk – he orchestrated an experience. Michael led us through a masterclass in connection, weaving together laughter, tears, and truth in a way that was nothing short of unforgettable. One minute we were belly-laughing, the next we were catching our breath from a wave of emotion – and we loved every second of it.***

***Michael's storytelling is magnetic. His presence is commanding. And his ability to make an entire room feel seen, heard, and moved? Pure brilliance.***

***If you're looking for a speaker who can captivate, inspire, and truly transform a room – Michael Spehn is your guy.***

**"Michael has an extraordinary gift for seamlessly weaving the unique details of his audience into his message, creating an experience that feels deeply personal for every individual in the room. It's as if he's speaking directly to you—leaving you inspired, seen, and truly connected."**

*Detroit Graphic Professionals*

**"Michael is a dynamic, prolific speaker. He incorporates humor with his unique life experiences to craft a compelling message about living, dying, and the meaning we find in between. If you want your team to aspire to make a positive impact, he will deliver."**

*Edward Jones Investments*

**"Truly unforgettable! I can't recommend enough. Michael is a deep well and offers so much insight into how to navigate the difficult terrains of life while simultaneously searching for the joy and wonder within the mess. This was perfect for our team. We absolutely loved it!"**

*HealthQuest*

*The Color of Rain*, a New York Times Bestselling book, is an unforgettable, true life story of overcoming life's greatest challenges. Adapted into a Hallmark motion picture, it became the highest rated movie in that channel's history. Now Michael uses this experience and passion to empower you and your team to become better, stronger and more engaged than ever before.
